## Acharya Prashant's Foundation saves 1 million animals in 2024

**short** by Roshan Gupta / 12:40 pm on Tuesday, 31 December 2024

In 2024, PrashantAdvait Foundation (PAF) achieved a unique milestone by saving one million animals by inspiring 50,000+ families to quit animal-based food. With Acharya Prashant's wisdom, PAF connects spirituality with animal welfare & fosters compassion & sustainability. Further, the Foundation closed the year by managing to curtail animal sacrifice in the world's biggest animal sacrifice festival in Nepal.

## Several ministers swing into action after 'satisfactory' rating at PM Modi-led appraisal

**short** by Daisy Mowke / 11:05 pm on Saturday, 23 May 2026

Several ministries were rated as satisfactory in PM Narendra Modi-led appraisal on Thursday. Cabinet Secretary TV Somanathan gave a detailed presentation on performance of all ministries of the government. The main yardstick for performance appraisal was the ministries' agility in complaint redressal and file disposal. Several ministers immediately swung into action after the meeting.

## 25-year-old Gurindervir Singh becomes India's fastest man, runs 100m in 10.09 seconds

**short** by Anmol Sharma / 09:10 pm on Saturday, 23 May 2026

Punjab's 25-year-old sprinter Gurindervir Singh became India's fastest man by running 100 metres in 10.09 seconds in National Senior Athletics Federation Competition 2026 final in Ranchi on Saturday. The previous record (10.15 seconds) was set by Chhattisgarh's Animesh Kujur on Friday during semi-finals. Gurindervir is the first Indian to break 10.10-seconds barrier in men's 100m sprint history.
